OLIGHT PRODUCT HANDBOOK

ABOUT US

Olight prides itself as a brand that provides high-quality flashlights that have been tried and tested to exceed expectations; including EDC lights, tactical lights, self-defense lights, headlamps, bicycle lights, camping lights, and accessories.

For years, Olight has been striving to deliver cutting-edge illumination tools to help you do your best in your daily work or outdoor exploration.

Creating quality products for you to conquer the night is the root of our business. Whereas, empowering every flashlight to be a unique companion to witness your blissful moments. Most importantly, our ultimate goal is to cheer you up in the darkest moments.

A person on a boat at night is shining a powerful blue flashlight beam across a body of water. The beam is wide and bright, reflecting on the water's surface. In the background, there are dark, silhouetted mountains under a dark sky. The overall mood is mysterious and adventurous.

OUR MISSION

ILLUMINATE YOUR WORLD

Today, we continue to remain true to our mission and will for generations to come:

By virtue of our durable lighting tools and unmatched customer service,
be bold and embrace challenges while enjoying every step of the way with an olight by your side.
